

Scope eKnowledge Center Exhibiting at Online Information 2009

Chennai, India, November 3, 2009: **Scope eKnowledge Center** has announced that it is exhibiting (stall 754) at Online Information 2009, 1-3 December 2009, in London. R. Sivadas, Scope's CEO, commented "We are delighted to be participating more actively in the information industries' premier annual event as both an exhibitor and an event partner."

The Online Information conference draws over 9,000 visitors from 70 countries, and provides an annual meeting place for the global information industry – playing host to thousands of information professionals, information end-users and publishers from around the globe, meeting suppliers of online content, publishing and library management solutions.

Scope eKnowledge Center is a leading provider of outsourced, cost-effective content enhancement and knowledge services to the global information industry. Scope uses a combination of deep subject matter expertise in a number of business and STM domains, innovative technology and proprietary intellectual property to provide world class services, including abstracting, indexing, semantic enrichment, database and directory development and content authoring. Scope is also the publisher of *Knowledgespeak*, the authoritative, complimentary news service exclusively for the STM information industry. *Knowledgespeak* provides a wide range of information about the industry, including news alerts, a calendar of events, a comprehensive directory of STM publishers, blogs, articles, whitepapers and interviews.

About Scope eKnowledge Center

Scope eKnowledge Center, a Quattro group company, is an award-winning provider of knowledge services to global customers. Scope leverages its rich Subject Matter Expertise (SME) and nearly two decades of information processing experience to offer content enhancement and knowledge services to business and STM information providers, as well as master data management and patent search and business research analytics to large global organizations. In operation for over 21 years, Scope has built a strong international clientele.

Headquartered in Chennai, India, Scope has sales and support offices in Philadelphia, Chicago and Richmond VA in the USA as well as in London, Brussels and Amsterdam.
